

# COVID-19 POLICIES + INFO

---

As you know, the situation surrounding COVID-19 is prevalent and ever-evolving. We want our dancers and our families to know we are following protocol and going above and beyond to ensure a safe environment for our staff, dancers, and their families. Below is a list of sanitization measures and policies we have implemented:

1. Our facility is cleaned twice daily, before and after classes. All door handles, light switches, and any other high traffic surfaces are disinfected by our fantastic staff.
2. A staff member will be stationed at the door and each person who enters the facility will be given hand sanitizer.
3. Students will be encouraged to practice 20 second hand washing after using the restroom and will be given hand sanitizer immediately after.
4. Per the Louisiana State Mandate: All customers as well as business owners and employees, non-essential and essential, are to wear face coverings inside a commercial establishment or any other building/space open to the public, whether indoor or outdoor, as well as when utilizing public or commercial modes of transportation. This includes when individuals are engaged in exercise indoors or when a physical activity outdoors involves being within six feet of others. **\*FACE COVERINGS ARE TO BE WORN OVER THE NOSE AND MOUTH\***
5. **ONLY** dancers with a medical condition that prevents the wearing of a face covering will be allowed to dance without their mask. If any of these stipulations apply to your dancer(s), please inform our office staff and provide us with an up-to-date doctor's note.
6. **Due to the current Phase 2 capacity restrictions, our lobby is closed to parents and visitors until further notice.** This is to limit the amount of individuals in the Studio at one time. Under the Phase 2 restrictions, our Studio can only operate legally at 50% of our building's max capacity. We apologize for any inconvenience this may cause.
7. If you need assistance paying your bill, accessing your online parent portal, adjusting class schedule, or have any other questions, please email Taylor at "TPCSdance@gmail.com". We will get back with you during our office hours. (Office Hours are Monday-Thursday 4:00-6:30 P.M.).

PLEASE READ: if you or a family member have been in contact with someone who has tested positive, for COVID-19 please do not come to the studio for 14 days. \*also, please let the office know if you or your dancer(s) have been exposed\*

Thank you in advance!
